

JOB TITLE: Environmental Assessor – Waste Auditor Manitoba, Canada

Job Title: Environmental Assessor – Waste Auditor

Term Contract: July to September 2023

Time Frame: This is a contract position for up to 40 hours per week. We are looking to fill several part-time positions with the potential for full-time hours. Job hours are during the daytime and weekends but may include some evenings. The contract has the potential to extend into the fall and winter.

Wage: \$16 per hour

Roles & Responsibilities:

- Conducting assessments of waste and recycling material to determine recycling recovery rates in key areas across Manitoba, which include:
 - Waste and recycling material collection
 - Waste and recycling material sorting
 - Waste disposal behavioural observations
- Assist in educating the public on beverage container recycling and its importance through the promotion of the Recycle Everywhere Program.
- Attend events and educate the public on accepted recyclable material by assisting in separating waste and recycling and allotting it to the proper stream.
- Conduct assessments on public recycling bins and signage.
- Potential cross-training for our Brand Ambassador Team.
- Other duties as assigned

Position Requirements:

Understanding or interest in environmental and waste management issues.

University or College degree completed or in progress, in a related field is an asset.

Must be at least 18 years of age.

Must be able to work as a member of a team and with minimal supervision.

cbcra

Canadian Beverage Container
Recycling Association

Position Requirements (cont.):

- Must have a reliable means of getting to and from the Recycle Everywhere warehouse location.
- Must be able to perform physical duties of the job, including lifting at least 40 pounds.
- Must be willing to travel throughout Manitoba.
- Must possess a valid Class 5 driver's license with a clean drivers abstract.

To Apply:

Interested applicants may send their resume and cover letter outlining how they meet the position requirements to:

Nina Vaks, Waste Audit Coordinator
